## Material Producer List

Materials & Tests Division (MTD)

## Laboratories Approved to Perform Tex-248-F, “Overlay Test”

The following laboratories are pre-qualified to perform Tex-248-F, “Overlay Test,” for either quality assurance or quality control for Department projects. Quality assurance testing used for material acceptance must be performed by the Department or the Department’s authorized representative.

Pre-qualification approval requires an initial split sample testing with the MTD’s central laboratory. Laboratories must also participate in the Annual State-wide Overlay Test proficiency program.

For more information, contact the MTD’s Flexible Pavements Section at (512) 884-7256.
