

Temporary Flexible, Reflective Roadway Marker Tabs

Material Producer List
Materials and Tests Division

Temporary Flexible, Reflective Roadway Marker Tabs

The following manufacturers of temporary flexible, reflective roadway marker tabs have complied with the requirements of DMS-8242, "Temporary Flexible, Reflective Roadway Marker Tabs."

The materials listed below are pre-qualified for use when DMS-8242 is referenced. These materials require no further testing before use unless deemed necessary by the Project Engineer or the Materials and Tests Division (MTD). Tex-732-I, "Sampling Traffic Materials," describes the sampling method.

The Department reserves the right to conduct random sampling of pre-qualified, certified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. MTD reserves the right to test samples to verify compliance with DMS-8242.

For qualification on the MPL contact DMS_Prequal@txdot.gov following the pre-qualification procedure of DMS-8242. For additional information, contact the MTD's Coatings, Calibration and Traffic Materials Section at (737)-291-8064.
