This table should be used as a general guide of what might be eligible for the program and what might not be eligible. Please contact Transportation Planning and Programming Division staff for questions. All participation ratios shown depict the minimum local participation for eligible costs. For continuous lighting systems or safety lighting on the state highway system, refer to 43 TAC Chapter 25, §25.11.

NOTES:

#1. If approved in accordance with 43 TAC Chapter, §15.55(d).

#2. For projects selected in the Transportation Enhancement Program call, federal participation is limited to the amount authorized by the commission, not to exceed 80% of the eligible costs.
