

Roadway Inventory Annual Reports

20%1

Data Management, Transportation Planning & Programming

Table of Contents

1-On System Reports: This series of reports contains statistics for roadways under the jurisdiction of the Texas Department of Transportation only.

[Section 1.1](#) - Mileage by Highway Status by Highway System

[Section 1.2](#) - Mileage by Highway System by Functional System

[Section 1.3](#) - Mileage by County by Highway System Inside a City

[Section 1.4](#) - Mileage by County by Highway System Outside a City

[Section 1.5](#) - Acreage by District by Right of Way Surface

2-All Public Roadways Reports: This series of reports contains statistics for all roadways open to public travel, regardless of jurisdiction, and include all federal, state, city, county, and toll roads.

[Section 2.1](#) - Mileage by District by Highway System

[Section 2.2](#) - Mileage by County by Highway System

[Section 2.3](#) - Mileage by District by Functional System by Population Classification

[Section 2.4](#) - Mileage by County by Functional System by Population Classification

[Section 2.5](#) - Mileage by Highway System by Surface Type

[Section 2.6](#) - Mileage for National Highway System by Functional System

3-Toll Roads: This series of reports contains statistics for all roadways that require a toll.

[Section 3.1](#) - Tollway Mileage by District by County by Highway System

[Section 3.2](#) - Tollway Mileage by District by County by Population Classification

Definitions

Daily Vehicle Miles of Travel (DVM): Daily number of miles driven by all vehicles.

Truck Vehicle Miles Traveled (TVM): Daily number of miles driven by trucks only.

Date: Monday, December 17, 2012

Data Source: Y2011 Certified Files as of 12/31/2011
