

Expect delays along I-635E between Abrams Rd. and Forest Ln. Aug. 5-6
Includes overnight closure of all I-635E mainlanes and overpass bridges

DALLAS – As part of the ongoing I-635E improvement project, there will be major impacts to traffic on the interstate and cross streets this weekend.

- All lanes along eastbound and westbound I-635E between Abrams Road and Forest Lane will be closed beginning Saturday evening, August 5 at 8 p.m. through Sunday morning, August 6 at noon. Drivers will be detoured to the frontage roads to access the next available entrance ramp onto the mainlanes. (Refer to **Exhibit A** below)
- Both directions of Abrams Road and Forest Lane cross street bridges at I-635E will be closed during this time, detouring traffic through the alternate streets: Abrams Road, Audelia Road, Royal Lane, and Walnut Street. (Refer to **Exhibit B** below)
- All lanes along Markville Drive at the eastbound I-635 frontage road will also be closed. Drivers will be detoured to Greenville Avenue and Royal Lane to access the next entrance ramp. (Refer to **Exhibit B** below)

Drivers should expect delays, seek alternate routes or plan for extra travel time. All scheduled work and closures are subject to weather or other unforeseen circumstances.

For additional information related to the 635 East Project, visit www.635east.com.

###

EXHIBIT A
