

Traffic shift for northbound I-635 Direct Connector to eastbound I-30 Rescheduled to June 30

MESQUITE – The new access point for the northbound I-635 direct connector to eastbound I-30 is shifting the morning of Friday, June 30. This date replaces the original start date of June 29 that was previously advertised.

Access to the new connector ramp to eastbound I-30 will be shifted south, closer to Towne Centre Drive. Drivers will access the new direct connector by remaining in the right lane along northbound I-635 following signs labeled for Exit 8, towards Texarkana. (Refer to exhibit below)

Drivers are urged to use caution as traffic adjust to the new configuration. For additional information related to the 635 East Project, visit www.635east.com.
