

Relocated Ramp Access for the NB I-635 Direct Connector to EB I-30

MESQUITE – The new ramp location for the northbound I-635 direct connector to eastbound I-30 will be available Sunday morning, June 25.

Access to the new connector ramp to eastbound I-30 will be shifted south, closer to Galloway Avenue. Drivers will access the new direct connector by remaining in the right lane along northbound I-635 following signs labeled for Exit 8, towards Texarkana. (Refer to exhibit below)

Drivers should expect delays, seek alternate routes or plan extra travel time. All scheduled work and closures are subject to weather or other unforeseen circumstances. The public can sign up for traffic alerts to stay informed about lane closures, traffic changes and construction progress by visiting this link: <https://635east.com/receive/>.
