Join us to learn about the Interstate (I) 45 North Houston Highway Improvement Project (NHHIP) – a transformative project designed to reduce congestion, enhance safety, improve mobility, drive economic and community opportunities and bolster flood resilience across the Houston region.

The public meeting will focus on the two NHHIP projects on which construction is occurring, Segment 3B-1 and Segment 3B-2, as well as share the status of upcoming construction and design work on the Segment 3A, 3C and 3D projects, and the anticipated order of construction. Also featured will be the status of activities and requirements under the Voluntary Resolution agreement (VRA) between TxDOT and the Federal Highway Administration (FHWA). A map depicting the full project limits, including each of the three segments, is available at (www.txdot.gov/nhhip).

PROJECT LIMITS

The project spans I-45 from I-69 to Beltway 8 North, including I-69 improvements between Spur 527 and I-45 in Harris County, Texas. This encompasses the reconstruction of the downtown Houston freeway loop system, including I-45, I-69, I-10, and SH 288. I-45 will be rerouted from the west side of downtown Houston to run parallel with I-69 and I-10 until it exits the downtown area and continues north.

I-45 SEGMENT 3 PROJECT LIMITS

In Segment 3, I-45 northbound will be rerouted from the west side of downtown Houston to run parallel with I-69 and I-10 until it exits the downtown area and continues north. Conversely, I-45 southbound will be rerouted to run parallel with I-10 and I-69 until it exits the downtown area and continues south.
