PROJECT ACQUISITION TRACKING MAPS

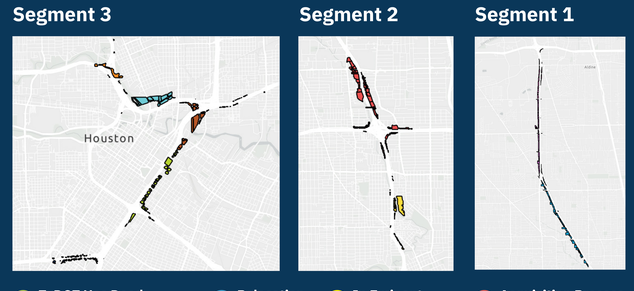

Exhibits show Right of Way status as of August 2026

I-45 NHHIP Acquisition Parcel Status By Classification

Business · Residential · Other

I-45 NHHIP Acquisition Parcel Status By Segment

TxDOT Has Deed, Cleared for Construction · Relocation Ongoing · In Eminent Domain Process · Acquisition Process has not Started

Early Right of Way Acquisitions

All residents of Clayton Homes have been relocated

- Combination of Vouchers and URA benefits used
- Total Relocation from Clayton: 215
- Phase 2 of property closing completed
- HHA has performed demolition
- HHA Replacement Housing at 800 Middle Street is now complete

Housing Assistance

All residents of Clayton Homes have been relocated

- Offering fair market value for all properties needed.
- Offering supplemental funding for relocating owners and tenants to buy or rent higher priced properties.
- Impacted Kelly Village residents will receive same assistance

Relocation of Displaced Residents

The services TxDOT is offering those displaced by the I-45 NHHIP go above and beyond what are mandated by law and are sensitive to the unique characteristics of displaced areas.

- Explanation of relocation process every step of the way
- Assistance with locating new housing
- Assistance with inspecting new housing
- Home buying seminars
- Financial responsibility seminars

Affordable Housing Fund

Affordable Housing Replacement
Rasmus Temenos Apartments

In addition to the replacement of affordable housing that was directly impacted by the project, TxDOT has committed to providing an additional $30 million in affordable housing funding for Independence Heights, Near Northside, Greater Fifth Ward, and Greater Third Ward.

This $35M affordable housing project serves as the replacement for the Temonos I Apartment. The replacement facility was constructed one mile from the original property. During the relocation process, the residents were able to remain in the existing facility, so that services could continue uninterrupted.
